From what I see there aren't any bad new holland models. I recently purchased a new holland 320 baler after alot of research on it and my tractors capabilities. I have also found that the 269 and old don't have a super sweep head but can be converted. The super sweep head started on the 273 I believe. I see alot of 273s for sell.

Re: New Holland 273 Hayliner Baler Good, Bad Ugly in reply to MLD, 05-27-2009 05:55:27
