---

Chapter One – People & Government

Government provides stability to society, as well as many crucial services such as free public education, police and fire services, and mail delivery. It also regulates access to common goods, such as public land, for the benefit of all. Government creates a structure whereby people can make their needs and opinions known to public officials.

---

1.1 What is Government? – American Government, 1st ed.

“ We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America. ”
