When I taught third grade, I often liked to have my kiddos put the problem and solution of a story on sentence strips to show that problem/solution also help retell/sequence the story we read. So I modified one of my third grade files into an activity pack for my second grade darlings to use this week.

Problem and Solution is a pattern of organization where information in a passage is expressed as a dilemma or concerning issue (a problem) and something that was, can be, or should be done to remedy this issue (solution or attempted solution). The problem and solution text structure may seem like it would be easy to recognize, but it can be moderately difficult to identify because it is frequently confused with the cause and effect pattern of organization, as they both have relational ...

Adult ESL Lesson: Problems, Advice, and Suggestions ...

In composition, using a problem-solution format is a method for analyzing and writing about a topic by identifying a problem and proposing one or more solutions. A problem-solution essay is a type of argument. "This sort of essay involves argumentation in that the writer seeks to convince the reader to take a particular course of action. In explaining the problem, it may also need to persuade the reader concerning specific causes" (Dave Kemper et al., "Fusion: Integrated Reading and Writing ...
